Mr. F. C. Alexander
Secretary, President's Communications Policy Board
Washington, 25, D. C.

Dear Mr. Alexander:

1. This will acknowledge with sincere appreciation your letter of 25 August 1950, in which you invited me to submit my opinions on communications problems which the President's Communications Policy Board is studying.

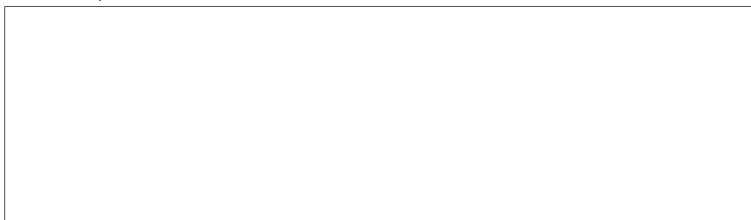

2. I consider it an honor to have been selected as one of those to whom a request was made. The opportunity afforded me to be of assistance to you and ~~to~~ the Board in resolving some of the difficulties which face the United States in the field of rapid communications is appreciated.

3. However, I must ask to be excused from submitting my personal views on these matters, since to do so would be contrary to established policy and security regulations of the Central Intelligence Agency.

Sincerely yours,
